SUMMARY

Front End Developer with 2.5+ years of experience turning complex requirements into smooth, responsive interfaces. My journey began in ecommerce operations, where I discovered a passion for solving real user problems through web development.

PROFESSIONAL EXPERIENCE

Apprication Pvt Ltd

Mar 2024 - Present

Front End Developer

Engineered and enhanced the Ecommerce Web App Quickvee, focusing on critical features like Loyalty Exempt, Max Purchase Quantity, and Order Management, improving customer experience and operational efficiency.

Neel Networks

Dec 2022 - Feb 2024

Front End Developer

Led the development of an in-house Project Management System and a custom CRM system, using React.js to streamline productivity monitoring and drive company growth through data-driven insights.

Computronics Multivision Pvt Ltd

Oct 2020 - Nov 2022

Ecommerce Operations & Website Coordinator

Started in ecommerce operations (Amazon & Flipkart), later managing the company's WordPress-based website—handling UI fixes, inventory updates, and customer issues, which sparked my transition into frontend development.
